

1st Annual TOUR DE COOP TRI-CITIES WA 2017

April 22nd 9 AM – Noon

In an effort to encourage every family to have their own chickens, we are putting on a tour of close to a dozen chicken coops in our area. Learn what it takes to have chickens, get advice from people that are living it, and get some ideas for your future coop!

Our mission is to show how easy, clean, and fun it is to have backyard chickens. Learn the many health and environmental benefits there are to having chickens.

Visit www.tourdecooptricity.com for questions and to find the map of the tour. The Coopsters will be available from 9 AM to Noon at their homes for you to drop by, see what they have going on in their backyard coops, and ask questions. We encourage families and friends to ride their bikes to the different coops.

Do you have backyard chickens you would like to show off next year? Contact us at the website above.
